

# Final Reports

The following technical documents are written in the framework of the first phase of JCP.

## [Joint Cooperation Programme \(JCP\) - final report \(download\)](#)

### Documents and reports per activity

#### **Component A – Management and institutional development**

##### **A.1 Management documents**

- A.1.1 [JCP 2010-2015 Outline Program – Project Digest, July 2009](#)
- A.1.2 [JCP 2010-2015 Work plan - Initiation phase \(Yr-1 and Yr-2\), October 19, 2010](#)
- A.1.3 [JCP Inception Report, May 2011](#)
- A.1.4 [JCP Progress Report 2011.01, November 16, 2011](#)
- A.1.5 [JCP Year Plan 2012, December 2011](#)
- A.1.6 [JCP Financiële voortgangsrapportage 2011, March 15, 2012](#)
- A.1.7 [JCP Progress Report 2012.01, April 3, 2012](#)
- A.1.8 [JCP Year Plan 2013, January 2013](#)

##### **A.2 Documents on the institutional setting of the JCP**

- A.2.1 [Memo: Zakelijke benadering consortium JCP, September 29, 2011](#)
- A.2.2 [Memo: Organizational Approach to Sustainable Cooperation, November 16, 2011](#)
- A.2.3 [Note: Joint Cooperation – a vision on sustainability, July 2012](#)

#### **Component B – WRM planning and IWRM tools**

##### **B.1 EDB basin water resources assessment for revision of the Pola**

- B1.1 [Final Report: Einlanden-Digul-Bikuma basin IWRM case study, September 27, 2012](#)
- B1.2 [PPP: Results IWRM Einlanden-Digul-Bikuma case study – Jakarta, October 18, 2012](#)
- B1.3 [Poster for Pusair annual colloquium: IWRM Einlanden-Digul-Bikuma case study, Bandung, May 2013](#)
- B1.4 [PPPs first workshop on Use of global datasets for hydro-meteorological analysis in areas with sparse data, Citeko, February 13-17, 2012](#)
- B1.5 [PPPs second workshop on Use of global datasets for hydro-meteorological analysis in areas with sparse data, Bogor, 7-11 May, 2012](#)
- B1.6 [Instruction manual and exercises for Use of global datasets workshops, May 2012](#)

##### **B.2 Training of trainers on Pola and Rencana**

- B2.1 [Report: Assessment workshop on development of Pola and Rencana in Indonesia and recommendations for training, Bandung, November 12-13, 2012](#)

##### **B.3 WMO TRC-H**

- B3.1 [Proposal for WMO Regional Training Centre for Hydrology \(RTC-H\) for the Southwest Pacific, Bandung, December 2010](#)
- B3.2 [Document on Integration of the JCP with the WMO RA5 Training Centre for Hydrology, WMO, Deltares, May 2011](#)

#### **Component C2 – Water management datasets for river basins**

- C2.1 [PPPs Training on Validation of TRMM satellite precipitation and ground stations data, Jakarta, 29-31 March 2011](#)
- C2.2 [PPPs Training on Use of Delft-OMS and set-up of hydro-meteorological database and interface, Bandung and Jakarta, July 28-29 and August 1-4, 2011](#)

C2.3 [Instruction manual with Annexes for the Training on Use of Delft-OMS and set-up of hydro-meteorological database and interface, Bandung and Jakarta, July 28-29 and August 1-4, 2011](#)

C2.4 [PPPs workshop on Climate Impact Assessment for Indonesia using GCM data and Delft-OMS – BMKG, Jakarta, 4-8 June 2012](#)

### **Component C3 – Lowland / peatland subsidence – future drainability**

C3.1 [PPPs first workshop on Peatland subsidence and flooding modelling - Bandung, July 26-28, 2011](#)

C3.2 [PPPs second workshop on Peatland subsidence and flooding modelling - Banjarmasin, January 31, 2012](#)

C3.3 [PPPs forth workshop on Peatland subsidence, emission and water management - Banjarmasin, October 8-11, 2012](#)

C3.4 [Report and annex forth workshop on Peatland subsidence, emission and water management - Banjarmasin, October 8-11, 2012](#)

C3.5 [Paper for International seminar of HATHI - Yogyakarta, September 6-8, 2013](#)

### **Component D1 – DEWS**

D1.1 [PPPs training on SPI and drought mapping – PusAir, Bandung, May 11-13, 2011](#)

D1.2 [PPPs Training on Use of PCRaster, NetCDF and grib data - BMKG, Jakarta, August 1-4, 2011](#)

D1.3 [Instruction manuals Training on Use of PCRaster, NetCDF and grib data - BMKG, Jakarta, August 1-4, 2011](#)

D1.4 [PPPs advanced course on \*Use of Delft-OMS \[with D2\]\* -- Delft, October 3-23, 2011 \(too big, please contact us for these files\)](#)

D1.5 [Material On the job training FEWS-DEWS - Bogor, March 26-30, 2012](#)

D1.6 [Material BMKG Administrator training DEWS-DEWS – Jakarta, June 5-7, 2012](#)

D1.7 [PPPs BMKG Annual technical training on climate change](#)

D1.8 [Article Vernimmen et al., 2012 BMKG Annual technical training on climate change](#)

D1.9 [Various materials PPP, Pusair Colloquium 2011 and workshops 2012](#)

### **Component D2 – FEWS**

D2.1 [PPP Towards Integrated Forecasting of Natural Hazards in Indonesia, World Delta Summit, Jakarta 23 November 2011](#)

D2.2 [Jakarta FEWS \(J-FEWS\) Booklet – popular version \(in Indonesian\)](#)

D2.3 [Jakarta FEWS \(J-FEWS\) Booklet – technical version \(in Indonesian\)](#)

D2.4 [Various PPPs and exercises Delft-FEWS](#)

- [PPP Delft-FEWS Jakarta BDBS mobile application](#)
- [PPP Delft 3D for Indonesia](#)
- [PPP FEWS introduction course Flood Management Information System Jakarta](#)
- [PPP Validation with FEWS](#)
- [Delft-FEWS Exercises](#)

D2.5 [Manual FEWS System Administrator Guide for PusAir \(on request\)](#)

D2.6 [Manual Telemetry](#)

D2.7 [Final report Jakarta Floods January 2013, April 2013](#)
