Video Tutorial: Condition-Based Pathways Map

Your browser does not support the HTML5 video element

Note the video will only play in browsers with .mp4 plugin support.
If you cannot get the video to play within this site, you can download it for local viewing
by clicking on the "Paper Clip" icon at the top right of this page.

You can then play it locally with compatible media players such as the free [VLC media player](#).

We recommend downloading the "FINAL" version in this case.
