

Projects

These projects have adopted OpenEarth as their prescribed workflow for management of data, models and tools:

- RWS-Deltares Kustlijnzorg
- [Building with Nature](#)
- [EU MICORE](#)
- PMR-NCV
- [EU FAST](#)
- [Naivasha](#)

In these projects OpenEarth is a component used in a (sub-)workpackage:

- [EU JERICO](#)
- [EMODnet](#)
- EMODnet biology
